## POLICY ON INCENTIVES FOR RESEARCH AND PUBLICATION FOR COLUMBIA GROUP OF INSTITUTIONS

#### **OBJECTIVE**

The primary objective of the proposed incentive policy is to motivate the faculty members (including Post Doctoral Fellow registered in the institute) of Janpragati Education Society, Raipur to undertake quality research and other research outputs.

#### SCOPE OF THE POLICY

This policy covers all faculty members (including Post Doctoral Fellow registered in the institute) of all Departments. The scope of the policy envisages, in particular:

- To motivate the faculty members to concentrate on research related activities, in addition to teaching, so as to publish research articles in reputed refereed international and national journals with impact factor.
- To pursue efforts to write books, book chapters, monographs etc. for publication by International and National Publishers of repute.
- To evince interest among the members of faculty so that they take efforts to establish collaborative research projects with their counterparts in reputed national and foreign Universities.
- To encourage the faculty members to submit proposals and secure funded research projects from various funding agencies in India and Abroad.
- To encourage creativity in the minds of faculty members, so that they make original contributions by way of products, process etc. and obtain patents or copy rights.

#### **DETAILS OF THE POLICY**

- Calendar year will be applicable for consideration of research incentive.
- It is mandatory to have affiliation of respective institute of Jan Pragati Education society [JPES] in publication/book/book chapter/monographs/patent/copyright/externally funded research project and presented/invited talk/session chaired in conferences.
- At least one research/review publication should be published/accepted in the same year.
- There is no upper limit for incentives received by individuals.
